VOL 783

And Mordecai wrote these things and sent letters to all the Jews, near and far, who were in all the provinces of King Ahasuerus, to establish among them that they should celebrate yearly the fourteenth and fifteenth days of the month of Adar, as the days on which the Jews had rest from their enemies, as the month which was turned from sorrow to joy for them, and from mourning to a holiday; that they should make them days of feasting and joy, of sending presents to one another and gifts to the poor. So the Jews accepted the custom which they had begun, as Mordecai had written to them, because Haman, the son of Hammedatha the Agagite, the enemy of all the Jews, had plotted against the Jews to annihilate them, and had cast Pur (that is, the lot), to consume them and destroy them; but when Esther came before the king, he commanded by letter that this wicked plot which Haman had devised against the Jews should return on his own head, and that he and his sons should be hanged on the gallows.

So they called these days Purim, after the name Pur.

Esther 99:20 - 26a [NKJV]

### WORDS FROM SENIOR PASTOR

Sarawak – The New Coronavirus Free-Zone has fallen!

Hence, other than having true peace within God, we can say that there really isn't any real or forever safe zone in this world. Dear brothers and sisters, during this crucial time, we should put on our breastplate of faith and love, and helmet of salvation hope (Esther 5:8b). Let us overcome the devil's three-in-one (lies, religious spirit, new Coronavirus) with God given three-in-one (faith, love, hope).

Let us not only fight this war from the spiritual realm, but at the same time we must also take good care of our bodies. We can greatly increase our body's immune system by having adequate sleep, healthy diet and a joyful heart. Last but not least, we have to pay attention to our personal hygiene too and do avoid going to crowded places.

I would like to pray and hope for everyone at Kuching 611 to be safe, healthy, joyful and be an overcomer.

#### Couple Shepherding Together, Building Tree of Life

During the 144 Leaders meals, MG Leader San Jun and Xu Jing gave thanks because they shepherd together as couples:

#### MG Leader San Kun

「When couples shepherd together they could complement each other. Sometimes when I prune my disciples, I could be too direct and straightforward. I thank God my wife shepherd together with me. Her empathy and gentleness

brings comfort to the disciple.」

#### MG Leader Xu Jing

「Since San Jun was promoted to MG Leader, we are shepherded by Rev Joshua and C-Mo. I think his life grow exceedingly fast, and are closer to the church. In the past I reminded him to be mindful of his words and attitude in whatsapp groups. He would ask me not to request too highly of him because he was good enough. But when Rev Joshua also reminded him of the same issue, his attitude towards his disciples, cell members and sons evidently

improved. He also learnt the interaction of pastor and C-Mo in his cell group. When we live out real relationships, having direct and honest communications, we could in turn encourage the brothers in the group to open up themselves, to be willing to share about deeper needs in their life. My husband is also able to build a relationship based on love and trust with the sisters in my cell group, so that they have a spiritual father, and are willing to call him 'Papa Kun'.

I like to share a conclusive message, but he likes

to dig deeper on a certain point. He is more meticulous, he will reply quickly after receiving cell member's messages, and will remind me to do likewise. He will also notice when cell members face some issues, and ask me to go for a meal together with that cell member. When a couple shepherd together, we seem to know each other better, be in one accord, and it is as if we have added strengths, and hence it's more relaxing than before.」 ■ [2020/02/20, HK611 MG12 Column]

### THIS WEEK NEWS: REMEMBERING THE HISTORY OF TURNING DEFEAT TO VICTORY

## PURIM FESTIVAL

#### Why is it called [Purim Festival] ?

The Hebrew word for [Purim] originates from the Old Persian language, which means [to draw lots]. In the book of Esther, Haman used the method of drawing lots to make a decision on when to slaughter the Jews (Adar 13th).

#### Why celebrate it?

To remember the time when the Jews were enslaved in Persia in 4th century B.C, how they faced the threat of their tribe's annihilation, but God saved them through Esther. This story is written in the book of Esther.

#### How do the Jews celebrate it today?

- 1. They will read the book of Esther on the eve and on the day of the Purim Festival

- 2. Donate to the poor

- 3. Gift food and gifts to at least one person

- 4. Have a feast

- 5. Eat the biscuit of Haman's ear

### Hadassah

#### Interesting Fact

The book of Esther is the only chapter in the bible where God was not mentioned. The name Esther originated from Persia, Hadassah (Esther 2:7) is a Hebrew name.

Mordecai is the first person in the bible to be called a [Jew], the Jews before that were called Israelites or Hebrews.

In the opinion of the Jews, King Ahasuerus used four years to search for a queen, before Esther there were 1400 girls that were not chosen.

On the eve of celebrating Purim Festival, the devoted Jews would fast, to remember Esther's fasting.

**Purim is when the Jews celebrate turning defeat into victory. When facing the crisis of plague now, we can also use this celebration to receive the tribal anointing of turning defeat into victory!**

### PRAYER

Lord, we bind the Snake of Deception, the Viper of the Religious Spirit and the Venomous Serpent of the Coronavirus. We break its global unholy alliance, the 3-cord attack to stop the global outpouring of revival.

Lord, we ask that You cast out the attack of the Snake of Deception, the Viper of the Religious Spirit and the Venomous Serpent of the Coronavirus.

We ask that You release a stop of the global epidemic. We ask for healing of those affected. We proclaim full authority over this virus and any associated attacks of illness and death.

And just as in Isaiah 14:29—the rod that struck you is broken—Satan has struck the Earth with the rod of the coronavirus. We ask, Lord, that You would break the rod of this attack and bring the global outpouring and revival.

We decree Psalm 91:7, A thousand may fall at your side, ten thousand at your right hand, but it will not come near you.
