主任牧师的话

Words from Senior Pastor

Peace be with you brothers and sisters. We are entering day 10 of the Movement Control Order (MCO), I believe a lot of brothers and sisters have started to miss church, as well as missing each other and your serving in each ministry. We have also started to understand that we have been taking things for granted in the past, it was by the grace and mercy of God that we were able to enjoy all of these.

In all things God works for the good of those who love him, who have been called according to his purpose! Everyone in Kuching 611 is a beloved of God, thus I believe everyone of you will benefit from this global disaster, from the sharing of disciples and co-workers we have definitely seen their lives benefiting from it.

I believe that in the following 10 days or so of staying at home, we will enjoy the time spent with God and our family even more, and thus receiving the greatest benefit of all.

I look forward to everyone's transformation like fresh wind and fresh fire after the lift of the MCO!

COVID-19 MINDSET SHIFT DURING A PANDEMIC

- I'm stuck at home: I get to be SAFE in my home and spend time with my family.
- I will get sick: I frequently wash hand and practice social distancing, this will significantly DECREASE my chances of getting sick.
- I will run out of items at home: I will run out of items at home. I am prepared and will use my items wisely. I have everything I need for now.
- Everything is shutting down, I'm panicking: The most IMPORTANT places, such as medical centers, pharmacies and grocery stores, remain open.

STEPS TO TAKE UPON RETURNING HOME AFTER BUYING ESSENTIALS

- Remove face mask from behind without touching front part of mask & discard in closed bin.
- Disinfect plastic carrying bag before bringing inside the house.
- Avoid contact with family members.
- Go directly to bathroom, take clothes off & soak inside soapy water.
- Take a bath with soap & clean from head to toe.

Friendly Reminder

Movement Control Order (MCO) has been extended to 14/4, hence during this period we encourage brothers and sisters to follow the church morning devotions and services online closely.

As we fight the virus, it is important that we keep close to our cell leaders. May all of us become Jesus' good disciples!

STAY & PRAY

【Chuck Pierce Team Information】

The nations are in turmoil and Passover will be the dividing point

"The nations are clamouring; the kingdom is shaking; the earth speaks when God speaks Rest, know that I am God! I will be revered among the nations and revered throughout the land. The Lord of hosts is with us , God of Jacob is our refuge! "(Psalm 46: 6, 10-11 Bible and Bible 2010)

"The Lord will roar from Zion ...!" (Joel 3:16) .This verse is the keynote of the opening year of 5780. With the roar of God, we enter the new season. 5780 begins on September 26-29, 2019. From this new year, I prophesied that the **nations will experience turmoil until the Passover.**

After entering 2020, the Lord said that we would experience a huge plague-like disaster that would test us until the Passover. I made this prediction in Las Vegas on February 26,because I repeated the message that "our country will undergo a major trial before April" and I received many comments and refutations. I believe that not only my country will go through trials, but also the nations of the same era.

In Joel chapters two and three, we read such verses:

"Lord, don't be afraid, but rejoice, because the Lord has done great things. Beasts in the field, don't be afraid, for the grass in the wilderness has grown, and the trees bear fruit, and fig trees and vines work. Rejoice and be happy in Jehovah your God ... "(Joel 2: 21-23 Bible Verse 2010)

"Come quickly around the nations, gather together. O Lord, let your warriors come. All nations should rise up to the valley of Jehoshaphat; for I will sit there and judge the nations around. ... There are many, many people in the valley of judgment, because the day of the Lord is nearing the valley of judgment."(Joel 3:11-12, 14 Bible and John 2010)

Passover will be the dividing point

As people of the kingdom of God, we must understand that now is the time for the Holy Spirit to possess us on the ground. We must always listen to what the Holy Spirit is saying to the churches. Some have explained that COVID-19 (Translator's Note: The United Nations Health Organization named the new coronavirus that started out in late 2019 as COVID-19) is a world-class disaster. Some even said the virus would hinder recovery. I want to say: "God has paused the virus until he recognizes: who is willing to experience the Passover with him under the cover of His blood." This Passover will be the sacred demarcation point of our future life !

On January 3, 2020, Cindy Jacobs prophesied to me, saying: The first three months of 2020, I will be cautious about my journey. My business trip last year was as high as 570,000 miles, and I was tired from these journeys and battles. She told me that the Lord actually wanted me to rest, but I understand that this alert is mainly to make me cautious about the three months before 2020. So I look to God to make sure I have more time to rest, write, and reject most international trips in the first three months.

Susan Stanfield, who has worked here for 40 years, said the Lord told her that we would "girdle for the spring storms in the future." I believe this is what God said to all of us. At the beginning of 2020, the Lord told me: "Tighten the belt!" The Lord said that this year will experience financial difficulties. However, when we tighten the belt, we will spend it.

Let us prepare to pass!
Triumph over laughter!

Adar is a joyous month, and barren will be broken. We can ask the Lord to sharpen our hearts and align our expectations with God's will. In this week of Purim, it is announced that the ruined plan will be reversed, and laughter will prevail!

Trauma saved - Linda Heidler

This is also the month of salvation, and our words determine how the freedom of our lives manifests.

Linda Heidler shared yesterday morning: Forgiveness is the key to our recovery and freedom. There are also unhealed and deep-rooted traumas. Traumas are not only a problem in the soul, but a spiritual crux, so only the Holy Spirit can bring true healing. God can eradicate trauma for our benefit! When we are rescued from the lack, we will have authority to drive out the evil spirits that bind others. God saves us from trauma, and our testimony will help other lives to be free.

Month of Naphtali: Ready to Jump -Robert Heidler

As Robert Heidler taught in the Celebration Service, this is the time to jump! However, if our lives are not filled with the joy of the Holy Spirit, we will be powerless against the enemy and trapped in the domination of the past seasons. God desires to give us thighs that are as strong as deer and can cheer for joy!

Robert shared five keys that will allow us to cheer and jump all month:

- Choose joy-whether you want to or not!
- Eliminate frustration!
- Develop a battle strategy-you are on the battlefield!
- Break the wrong declaration—understand God's Word!
- Find your true identity!

This is the time you want to climb!
God said, "I am releasing a new level of faith among my people! You will see this season that you haven't seen before. You need to have a new horizon and a whole new way of elevation. Raise your hand and climb over the front Waterfall! When you raise your hand to climb, you will see the stairs I prepared for you.

"Climb the ladder I set in front of you! Climb the ladder I set in front of you! Even if the enemy has laughed at you and said you will never climb the summit and cross the new portal, this is the time you want to climb, You are going to climb the stairs I placed in front of you. I have been waiting for you behind the portal of the summit, and I am laughing at the enemy. "

"In this season of victory and joy, laugh out loud and experience the freedom in us, you will defeat the enemy. Even if you feel that you are in a trough and defeated, my angel will help you ascend, step by step, so that you can continue Go forward. "

"I opened a new door in the heavenly realm and sent my angel to guard you forward so that you can enter this heavenly realm and return to the earth. I laugh in heaven and I want you to be on earth Stand on the ground and overcome the enemy. Because at this moment and in this new season, I will let the victorious spirit rise in you, let you overcome and laugh at the enemy, which you have never experienced before. "

"A new wind is blowing on the ground. Now this wind is not only blowing my breath, but also my angel instigating the wings to work together. I will send my special envoy, who will create a clean wind and nourishing on the ground. Rain, lift the supernatural repression. "

"I want to cause a shock in your life and let you receive a new breath from me. When you experience ascension, you will enter the acceleration track I have prepared."
