Following God

Entering the Season of Selah

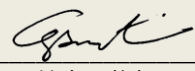

Every time when we read Psalms we will find a tiny word between the stanzas - selah. Selah is a symbol of rest, represented by 0 in the score, to silence and pause, the purpose is to give the singer or listener time to think back and then continue to sing or listen.

Selah also means transposing or enhancing tone or emotion.

Dear brothers and sisters, do you think it is God who led us into Selah through the MCO! Therefore, brothers and sisters who follow God should make good use of this rest. During the pause, we should carefully examine our own hearts and experience everything around us with our hearts, preparing to disciple nations in this world that has changed!

Of course, during this period, we should also strengthen our enthusiasm for God, man and earth. Value relationships and enjoy relationships, because we all take time and pay the price to build a united and loving relationship with God, people and the earth. (Selah)

主耶和華的靈在我身上, 因為耶和華用膏膏我,
叫我傳好信息給謙卑的人, 差遣我醫好傷心的人,
報告被擄的得釋放、被囚的出監牢,
以賽亞書 61:1

**Rev David Ling:**

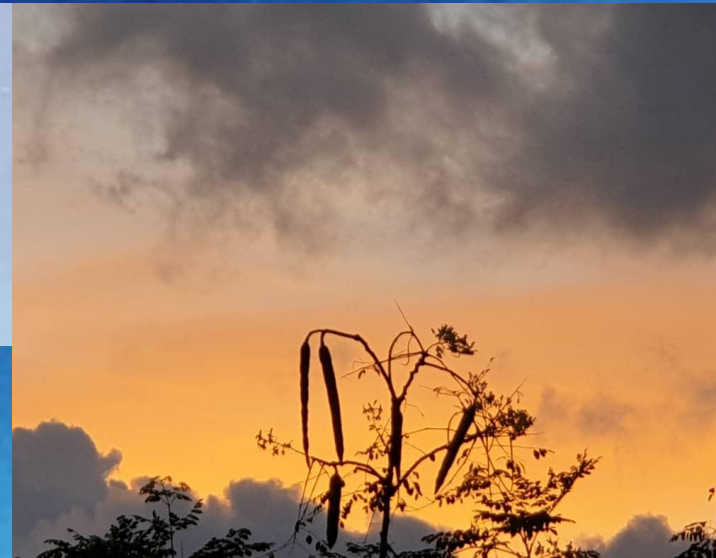

When the heaven and earth are dim, only the Tree of Life that bears fruits grows in glorious light. Now is a time as such. When we pursue to become a Tree of Life, then we will walk in God's glorious light.

Ps James:

The heavens declare the glory of God, the skies proclaim the work of his hands. The lake looks so calm at dawn and the dusk glow is oh-so-radiant.

Ps Hannah:

However magnificent the building made by hand, it is not as wonderful as the Creator's creation! Looking at the ever-changing sky outside the window, I can't help but express gratitude and praise: God, You are really great!

Seeing 2020 Our God during the Meo

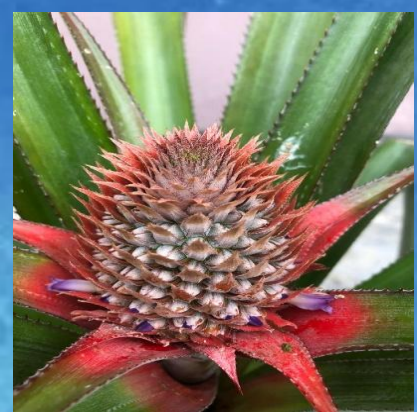

耶路撒冷的女子啊，我虽然黑，却是秀美，如同基达的帐棚，好像所罗门的幔子。

Pastor Esther:

Dark am I, yet lovely, daughters of Jerusalem, dark like the tents of Kedar, like the tent curtains of Solomon.
【Song of Songs 1:5】

**Ps. Alicia:**

Humble soil does not garner much admiration and is often trampled underfoot, contributing silently, allowing plants to grow generously, and people to gain goodness from it. I want to become the good soil of the heavenly kingdom.

**Ruth Chang :**

The pineapple is a type of fruit that people would rarely want to touch because of its thorns. But it is very tasty. The same things also apply to us. As we are growing up, often we may hurt the people around us like the thorns on a pineapple. People may also choose to stay away. But God sees each of us as precious.

**Sharon :**

Live your life, lead a radiant life .
If that is how God clothes the grass of the field, which is here today and tomorrow is thrown into the fire, will he not much more clothe you! Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.
【Matthew 6: 30,34】

**Doreen:**

Lord, thank You for letting me know, we need to rely on You as we grow, each step is Your grace.

**Sarah Wong:**

Snails crawl slowly. If you put it into a short bottle, it will still take a long time to reach the bottleneck. Though slow, it could persevere and will always reach its destination.

**Carolina:**

Although it looks like an ordinary grass, but I can see the vitality in it. As the wind blows, their seeds would fly and spread, landing on the ground and starting a new life. In their lives, I see the perseverance and a vitality of life building life within it.

**Lai Mei Fung :**

Although the old moringa tree was chopped down several months ago, it has already began to grow new shoots although it was already rotten. I thank God that through this tree, I have learnt that even though life could have trials, our heavenly Father's love still keeps me so that I could grow new life. [My life is in you, Lord. My strength is in you, Lord. My hope is in you, Lord]

Siong Nyuk Ping:

Walk towards the light. Lord Jesus, You are the light. I will run to You. Your light will heal me and give me strength as I run the way.

**Esther Choo:**

A little shallot is a common ingredient in the kitchen. Although it is small, and it doesn't look special, but it can make a dish taste delicious, when cut, you will tear up, when planted, it will grow into spring onions. We may think that we are unimportant people, but we can influence others just like this shallot, having a sweet smell, and touching people and yielding life!

**Ps David Yancey:**

Even though you rob me of my cloak, but life does not depend on the outer beauty. Even though you do not give me water and soil, but life does not grumble about lack. A person's value is not a one-time price tag on the shelf but endless vitality.

Matthias :

How many cloves of garlic are there? They come in different sizes, big and small; just like the grace of God, we must count each blessing every day.

**IP Esther Wong:**

When I see flowers, I thought of this verse, "I say to you that not even Solomon in all his glory and splendor dressed himself like one of these flowers".

**Ps Karen Kong**

Awake, north wind, and come, south wind! Blow on my garden, that its fragrance may spread everywhere. Let my beloved come into his garden and taste its choice fruits.
【Song of Songs 4:16】

**Deborah Huang:**

When I saw the weeds, I thought of a verse from the bible: "Keep your heart with all diligence, for out of it is the wellspring of life." (Proverbs 4:23)

**Fong Pau Chiong:**

When I saw this bird's nest on my roof, the birds seemed to feel protected, the bird family had a warm place to stay, they didn't have to fear the wind or rain, just like us when we are protected by our Heavenly Father, I am grateful for each and every day.
