LIVINGWELL

For I am convinced that neither death nor life, neither angels nor

demons, neither the present nor the future, nor any powers, neither height nor

depth, nor anything else in all creation, will be able to separate us from the love

of God that is in Christ Jesus our Lord.

VOL 803

Following God

There is approximately one-third of people who are starving to death in this world; one-third who are not full and constantly sleep in hunger and also one-third who have eaten too much, have "three highs" and hence need to spend a lot of money and time to lose weight.

I heard a brother who has a simple yet effective way of losing weight that is by cutting down half of the portion of his three meals. As a result, he managed to shed off some kilos naturally and without much pain! Doing this can help us bear the fruit of self-control and cast out the spirit of gluttony and thus, help us gain a healthier body. Lately, I have sought out a better way of losing weight and managing the "three highs", that is to donate the money that we will use to overeat to the starving and the poor who are not full and be forced to sleep in hunger.

Doing this has lots of benefits!--losing weight and gaining a healthy body .-- bearing the fruit of selfcontrol and casting out the spirit of gluttony .-- in the future, we shall hear Lord Jesus who will judge us saying, "For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in... Then they will go away to eternal punishment, but the righteous to eternal life." (Matthew 25:35 & 46) --being blessed greatly because it is more blessed to give than to receive.

Brothers and sisters can also offer the money that may cause us to have "three highs" and be overweight to the charity fund of the church to save those who are starving to death and the malnourished people. If we are willing to save people with the love of Christ in such a way, we will surely save ourselves as well!

NEWS

Co-Workers Retreat

Praise God for His grace, our coworkers had a short yet wonderful retreat time on Thursday (July 30).

During the sharing session, everyone took turns to talk about the 'pain' they are in, whether it is relationships, finance, health, shepherding, everyone talked about their feelings and needs, and listened to and interceded for one another.

After the sharing session, everyone played games together and ended the day in joyous laughter.
