Revisiting: Pastor Anton Cruz's prophetic message in 2020 regarding the next five years of the Mother Church, Hong Kong 611 Bread of Life Church.

This is a critical moment; the time has come, with only twenty years left. Hong Kong is extremely important, and so is 611. Luke 21:9-19 depicts the end times, where God says not a hair of our heads will fall, there will be great tsunamis, two nations will be completely destroyed, there will be floods, wildfires, drug abuse among young people, and even the great church will fall. We are now living in the seven years of grace, and after that, God's judgment will come quickly.

God has called me to see young people crying out to Him, kneeling before Jesus and crying out to God. So, we must pray for the kingdom of God and for young people. God will give Hong Kong five years and will give ten thousand young people in Hong Kong the strength to pray to God vigorously. God has chosen Hong Kong, and we must cry out to Him.

The vision is terrifying; in the midst of war, children are crying, but God will raise up an unnamed generation, and God wants to give them a face. They had nothing, no name, no face. We must become parents. Not teachers or prophets but parents, pastors. Pastors and intercessors must gather together, from Taiwan, Hong Kong, and Macau, and focus on prayer for seven years. This is the time of Jonah.

God speaks to those who are close to Him. In the next five years, there will be forty days of fasting and prayer. Pastors, intercessors, and worshippers must spend one hour with God every day. We must be quiet before God, waiting for Him to speak. God is in pain; the world is like Sodom and Gomorrah. God wants people's ears to be sharp. We must cry out to God and share His pain. Pray for God's mercy to come to Hong Kong.

Some ministries at 611 may stop, but every co-worker must kneel down and pray for one hour every day. This is the end times, but if one person kneels before God and prays for others, God will give grace. Ten thousand young people in Hong Kong will dedicate themselves to God in stadiums. Even Abraham couldn't find ten righteous people, so God's righteous judgment will come. We are not seeking blessings but mercy for Hong Kong.

This year's prophecy is different from before. I cry out to God for Hong Kong. Royal Kids cry out to God on the flag of Hong Kong, and people from different countries cry out to God for Hong Kong because God loves Hong Kong very much. God says He will show mercy to Hong Kong. God says, "I will bring glory back to Hong Kong." In five years, the glory of Hong Kong will return, and the church will also return. Jonah's words are harsh, but God is gracious. God loves Hong Kong, families, and churches. When we cry out to God, He will give glory back to Hong Kong.

Every church, God will rise them up to pray to Him. In 2040, something very important and wonderful will happen: Hong Kong will experience a great revival, becoming God's home, becoming holy, and people from all over the world will come to Hong Kong to seek God. The revival will spread from Hong Kong to mainland China, back to Hong Kong, and connect Taiwan and Macau. The missionary army will go to Muslim countries in Arabia, and many Jews will be saved because of the missionary teams from Hong Kong. Young people will rise up to evangelize greatly, performing many miracles and healings with anointing. Repentance must come first, then use media to reach other nations.

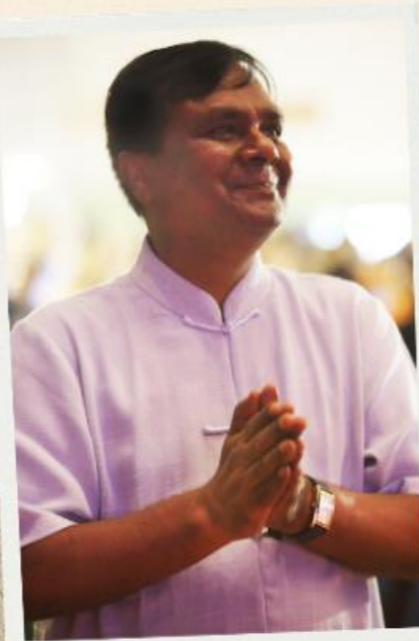

Many countries, even Christian ones, will persecute Christians and turn them into house churches. For the next seven years, focus on prayer. This is the era of the workplace; the focus is no longer on the church but on God. Even governments and animals will fast and pray. Prayer walk in Hong Kong, seeking God's purification. This is the time to seek God's mercy. The church must undergo a major transformation, a transformation for God.
